FOR IMMEDIATE RELEASE

Southbound I-5 Overnight *Full Freeway Closure* - I-605 to Norwalk Blvd.

Norwalk / Santa Fe Springs - The California Department of Transportation (Caltrans) today announced the scheduled overnight *full freeway closure* of southbound Interstate 5 (Santa Ana Freeway) between Interstate 605 (San Gabriel River Freeway) and Norwalk Blvd. with related ramp closures to install footings for bridge columns in the median for tonight, Monday, Mar. 12. Closures are subject to change due to weather or other reasons and are scheduled as follows:

10 p.m. Monday, Mar. 12 until 5 a.m. Tuesday, Mar. 13:

- Southbound I-5 *all lanes closed* from 11 p.m. to 5 a.m.
- Northbound and southbound I-605 connector ramps to southbound I-5 closed from 9 p.m. to 5 a.m.

If rain causes excessive flooding in the below-ground construction area, this closure will be postponed. Please go to our Planned Lane Closure web page tonight for confirmation at <https://lcswebreports-new.dot.ca.gov/SearchPreAction.do?district=7>.

Additional southbound I-5 overnight full freeway closures for this week will be determined based on weather. More notifications to follow.

Detours signs will be in place. Consider using southbound I-605 to eastbound State Route 91 (Artesia Freeway) as an alternate route.
